Message from Paul Jablonski, CEO

I have been in transit my entire working life. I started as a bus driver in Massachusetts and now I am the CEO of one of the best transit systems in North America. Without a doubt, transit is a fantastic career choice. For people who want to work hard in an exciting environment, it provides exceptional growth and advancement opportunities. At the same time, it provides great benefits for you and your family. I invite you to check **www.sdmts.com** often and apply for a career with MTS. You never know where a job in transit will lead you!

Application and resume may be submitted to MTS via:

Job Announcement

Regulatory Inspector

As the largest provider of public transportation in San Diego County, and 2009 winner of the American Public Transportation Association's award for Most Outstanding Public Transit System, the Metropolitan Transit System (MTS) is committed to providing exceptional service to the people of the San Diego region.

Every year more than 85 million people ride MTS buses and Trolleys. We have more than 80 fixed-route bus lines and 54 miles of Trolley service. Our fleet of compressed natural gas buses and electric Trolleys allow MTS to be one of the greenest companies in San Diego. As our region continues to grow, there will be a greater dependence on public transportation to help achieve mobility goals. The long-range transit plan for the region envisions several new trolley lines and Bus Rapid Transit lines, some of which will come on line in the next two years. And plans are progressing to expand the Trolley 11 miles from Old Town to UCSD and University Town Center. MTS is one of the most modern and dynamic public transportation systems in North America and we would love for you to help us achieve our goals!

Summary

This individual will perform specialized inspections and enforcement of ordinances, regulations and laws governing for-hire vehicles (taxicabs, jitneys, charter, low speed and sightseeing vehicles and non-emergency medical vehicles, as well as sedans, vans, minibuses, and buses). Considerable judgment is required in determining a vehicle's fitness for operation, ensuring enforcement of regulations, gaining for-hire vehicle permit holders' compliance, and coordination with other agencies. This individual must be able to operate independently, but also must function well as part of a team. Other essential duties and responsibilities of the Regulatory Inspector position include, but are not limited to, the following:

Example of Duties

Essential Functions

- Responsible for enforcing policies, regulations, ordinances, and laws passed by the San Diego Metropolitan Transit Board of Directors related to vehicles for hire (taxicabs, jitneys, charter, low speed and sightseeing vehicles and non-emergency medical vehicles, as well as sedans, vans, minibuses, and buses).
- Use good judgment to determine a vehicle's fitness for operation, ensuring enforcement of regulations, gaining for-hire vehicle permit holders' compliance.
- The Regulatory Inspector will prepare comprehensive written reports and testify in court when subpoenaed.
- Ensure that for-hire vehicles are in compliance with general safety standards and regulations.

Duties may include, but are not limited to, the following:

- The ability to work a varied schedule (including nights, weekends and holidays) is required.
- Ordinances are enforced by the issuance of administrative violation notices and citations.
  * Current ordinances include Ordinance No. 11.
- Perform other tasks as assigned.

The San Diego Metropolitan Transit System is an Equal Opportunity Employer. Women and minorities are encouraged to apply.

Qualifications

Knowledge, Skills and Abilities

Knowledge of or ability to learn MTS policies and regulations, ability to read, understand, and apply MTS policies and regulations; ability to write letters, memoranda, and reports using clear, concise and grammatically correct English; ability to speak clearly, distinctly, and effectively in person-to-person or small group situations using tact and diplomacy; ability to coordinate and initiate actions necessary to implement decisions and delegate responsibilities to appropriate personnel; ability to establish and maintain priorities in order to complete assignments by deadlines without detailed instructions; skill in verifying the accuracy and completeness of forms and reports; knowledge of Microsoft Office, including Word, Excel, Access, PowerPoint, and Outlook and the ability to learn and use other software that we might have or acquire. Has the ability to communicate effectively with individuals from various backgrounds. Bilingual is helpful.

Physical Requirements

The successful candidate must be able to fulfill the physical demands of the job such as walking, stooping, sitting, bending, and reaching for overhead files and occasional lifting (must be able to lift up to 10 pounds). Must be able operate motor vehicle and to perform tasks involving manual dexterity, such as use of a computer and 10-key. Work will often require more than 8 hours per day or irregular days/hours to perform the essential duties of the position. Duties will be performed in the field and in the MTS inspection facility. This position may require travel to external agencies.

Experience/Education/ Certificates/License(s)

The incumbent must possess a high school diploma or GED. Experience as a commercial vehicle inspection specialist, a state traffic officer assigned to commercial enforcement and/or a field supervisor for a commercial fleet.

Journey-level mechanic experience is preferred.

Must possess and maintain a valid California Class C driver's license (a recent H-6 must be presented).

General

Must satisfactorily pass all applicable examinations including, but not limited to, a pre-employment physical and background check.

Salary

$35,972 - $53,958

MTS employees during the filming of a recent commercial.
